**Co-organizer and Host Organization:** State Key Laboratory of Internet of Things for Smart City, University of Macau

**Co-organizer:** Department of Systems Engineering and Engineering Management, City University of Hong Kong  
Faculty of Business Administration, University of Macau

The eighth International Research Conference on Systems Engineering and Management Science (IRC-SEMS2020) will take place in Macau, China, 24-25 April 2020. IRC-SEMS aims to provide a research platform for academics and researchers, particularly young faculty and graduate students, to share and exchange experience and research findings in various disciplines of Systems Engineering and Management Science. The previous conferences were hosted by City University of Hong Kong, Wuhan University, University of Chinese Academy of Sciences, Chinese Academy of Sciences and Xi'an Jiao Tong University, Dongbei University of Finance and Economics, and Nanjing University.
